The intention of Paut Neteru: Company of the Gods is to provide meaningful messages that provoke the reader to challenge their view of life. In it you will find themes that suggest alternate ways to perceive the world. While some interpret Paut Neteru to mean "Company of the Gods", another translation is "Tree of Life". Paut Neteru: Company of the gods is one of many necessary efforts needed in all areas of living--education, business, the arts, religion, etc.--based on the Tree of Life. It is not the first literary work to offer purposeful themes through artistic medium. Hopefully, it will not be the last. However, if you extract nothing more from this collection of poems than mere entertainment as expressed through their outer form, understand that there is a deeper part of you that will grasp the inner attainment and appreciate the effort. Enjoy the climb
